

Artwork: National Bird of India

The "National Bird of India" sculpture majestically captures the peacock in its full splendour, showcasing its distinctive long neck, elegant crest, and vibrant tail feathers unfurled in a breath-taking display. This sculpture epitomizes the grace and magnificence of the peacock, the national bird of India. Expertly crafted from steel, the artwork stands as a testament to the intricate beauty of nature seamlessly intertwined with the strength and resilience of metal. It invites viewers to contemplate the delicate balance between natural wonders and human ingenuity, inspiring a sense of awe and reverence for both. The sculpture's meticulous detailing and lifelike representation highlight the peacock's regal presence, making it a striking and thought-provoking piece that celebrates the splendour of India's natural heritage.

Artist: Nilesh Palav

Nilesh Palav, an acclaimed artist, completed his BFA in Drawing and Painting from the prestigious J. J. School of Art, Mumbai, graduating at the top of his class. He continued his education at the same institution, earning an MFA in Creative Painting. Palav's exceptional talent has been recognized with numerous accolades, including the Fellowship of Drawing and Painting from his alma mater, the Freni and Erach Jamshedji Dastur Trust Foundation Scholarship, and the Merit Scholarship from Bombay University. Additionally, he has been honored with the Maharashtra State Award, underscoring his significant contributions to the field of art. Palav's works are celebrated for their innovative approach and technical precision, blending traditional techniques with contemporary themes. His sculptures and paintings often explore the intersection of nature and human creativity, reflecting a deep appreciation for the beauty and complexity of the natural world. Through his art, Palav aims to inspire and engage audiences, fostering a deeper understanding and appreciation of cultural and artistic heritage.
